

# UPSTAIRS

.....AND THEN TO FINISH !!

Take your time.  
No rush.  
Check the colours.  
From pale lemon to orange.  
From orange to dark purple.  
Wrap yourself with the aromas.  
Don't think.  
Taste it.  
Keep it in your mouth for a second.  
Breathe through it.  
Play with your senses.  
And let the magic begin...
